Audio Research (above)

Whether you use an individual AR product or a full AR system... it's the stuff of dreams! Book your demo today to hear what all the fuss is about!

CD8 Reference CD Player

It really is the most mesmerising, musically accurate CD player Audio Research have ever experienced - and what better way to bring enhanced value to a growing, and costly, CD collection!

LS17 Pre-amplifier

The LS17 is surely the "Baby REF3." The pedigree is only too clear, and you will hear it immediately and without effort.

VS115 Power Amplifier

The new VS115 is highly engaging, musically rewarding and an unparalleled performer at its price. For the music lover who wants the best attributes of tubes in both style and performance, the VS115 is a new amplifier that will be impossible to resist.
