

we specialise in happy customers ;-)

naim Uniti

The Naim Uniti is a CD player, FM/DAB Tuner, Internet Radio

player, Digital Audio Music Stream Player, DAC and it has network connectivity via WiFi and Ethernet. Uniti is truly all things to all music lovers!

arcam AVR 600

Currently wired up in our Cinema room, and attached

to Sonus Faber's latest Liuto range of speakers, come in anytime and see for yourself how HD Audio should sound!!

wilson audio SASHA

The replacement for the much loved WATT/

Puppy System 8 is here and its called 'Sasha'. A big leap forward in performance? You bet!

wadia 170i Transport

When the iPod docks with iTransport, the iPod

transforms into an audiophile-grade media server that rivals some of the top performing digital source components available.

meridian F80

When you see the F80, you'll smile. When you

hear it, you'll want one. It is the most beautiful all-in-one lifestyle system ever created. It sounds truly wonderful no matter where you place it!

naim XS

We know its a great product, but the XS surprised and

delighted us just how quickly and enthusiastically the reviewers latched onto that fact. Naim's XS Integrated is exceptional value for money.

rel R505

The REL R505 pushes the performance envelope

even further combining extraordinary slam and airiness to stunning effect. One of our favourites.

pmc Loudspeakers

We are excited to have been appointed

a PMC dealer. It's not hard to hear why this award-winning brand is so popular both in the audiophile and professional world.
