## The Amplifier is arguably the heart of any Hi-Fi System.

By upgrading your amplifier, you can gain better bass, clearer treble, wider soundstage and unearth even more detail.

Solid-state or Valve, Integrated, Pre or Power amplification - you compare and you choose.

Each brand of amplifier we stock is beautifully built, exquisitely engineered, renowned for its sound quality and designed to bring you a lifetime of listening pleasure.

We will give you a generous trade-in on your current amplifier\* or the option of BUY NOW - PAY LATER\*.

### The Liuto Collection from Sonus faber

The traditional lute shape inspires and complements the lines of these new models and enhances the unconventional reproduction properties of extremely versatile instruments.

Only the highest quality, most innovative components and materials have been chosen to accompany the human ear on a journey towards increasingly ambitious horizons.

There are 3 speaker models in the series:

LIUTO Floorstander  
MONITOR Standmount  
SMART Subwoofer

Beautiful characteristics ensure a powerful sound, rich in undertones and capable of arousing real emotion without losing coherence and tonal balance. It is an ensemble of musical qualities that will enthuse listeners every time.
